Um, I kind of updated mine, but if it doesn't come through, well I will repost, but Queen Glory is already in use but passed away, I am using her as my characters grandmother and Deathbringer is the grandfather. I had to update because I forgot that the old queens are gone already.

Mods please let this through

Reposting because you never accepted it the first time.
Name: Queen Inferno the II
Age: 7
Tribe: Nightwing Rainwing
Parents: Inferno x Frost (Parents) Queen Glory and Deathbringer (I think these would be her grandparents on mothers side.)
Backstory: A Guarded Secret
Abilities: (Thrice born)
Other: Gets along best with Icewing Hybrids

Also I think that the nightwings and rainwings should share the rainforest, because remeber what happened. So, like Queen Inferno 1st agreed to allow a nightwing queen as long as they don't take over the rainforest. Mine is Queen Inferno 2nd.

Um, art I already made a character who's mom is Queen Glory and dad is Deathbringer. Only in this rp Inferno's powers are normal rainwing and nightwing powers and she is born on 3 moons unless I can't do that then 2 but either way Um, Inferno would know if her mom divorced her dad, maybe we could work something out.
